

A4 SERIES

Manual Handgun Series

Valco Melton's A4 Manual Gun Series simplify hot melt applications by providing the user with a variety of design options to meet each of their needs in a reduced size. This hand held compact gun is designed to endure the roughest in working conditions for a longer life of quality assured applications.

- Easy pattern conversion
- 1,500,000 cycles of guaranteed durability
- 100% compatible spare parts

Bottom and top adhesive input options

A flexible housing protects the cables from damage caused by rough and continuous movement.

A 360-degree hose swivel allows for optimum movement and eliminates hose twisting.

Safety locking switch helps to avoid involuntary activation of the gun

Vertical handgun option

Ergonomic handle is strongly resistant to impact and will not become hot.

Micro switch for automatic pump activation

A4 Manual Gun Applications:

A4 Spray

A4 Bead

Valco Melton's range of application products offer a complete selection of hot melt components and support equipment:

- RTD hot melt hoses
- Manual and automatic dispensing valves
- Nozzle and applicator styles
- Mounting bracket packages
- Solid-state pattern control systems
